**To:** Randy Cooper  
**Subject:** AITP meeting tonight! - 5pm Bldg 700 Room 2106

AITP members and friends,

**DON'T FORGET OUR MEETING TONIGHT!**

Our speaker this month will be Jason Israel, Senior VOIP Engineer with TiVerity Consulting Inc., a Premier Certified Cisco Partner. Jason bring over twenty years of networking experience to our meeting. Jason has more certifications than anyone I have ever met and he'll be a great person to ask his opinion of certification!

If you are taking any of the networking tracks, this is a **MUST ATTEND** event! Even if you aren't, I strongly urge you to attend this meeting as this industry veteran shares his experience in the IT world. See you there!

Randy Cooper  
President, AITP, Gwinnett Tech Chapter
