Re: Jason Israel

To Whom It May Concern:

I have personally known Jason Israel for several years, throughout his IT career at NCR. He is a highly qualified and very professional technician. Jason has always been more than willing to resolve our many, and often complicated, IT service requests. He is diligent about following up and is always polite and courteous.

I know that Jason Israel would be an asset to your organization. Please feel free to contact me at the phone number below, should you require further information.

Sincerely,

Kathy Wasylczenko
